

REMARKS

I. Front Page of Office Action

The front page of the July 21, 2003 office action indicates that this application was abandoned because of Applicant's failure to timely file new formal drawings as required in the Notice of Allowability and that no proposed new formal drawings had been received.

Further, the Notice of Allowability mailed on July 21, 2003 indicates on item 8, that the examiner requested corrected drawings, including changes required by the Notice of Draftsperson's Patent Drawing Review (PTO-948) attached to Paper No. 7. This notice objected to informalities associated with figures 1-8 under 37 CFR 1.84 (e) for copy machine marks, and under 37 CFR 1.84 (g) for incorrect margins.

II. Claim Status

Claims 14-21 have been allowed.

III. Corrected Formal Drawings

In response to the office action mailed on July 21, 2003, Applicant submits herewith corrected formal drawings 1-8. These corrected drawings comply with the requirements under 37 CFR 1.84 (e) and 37 CFR 1.84 (g). Accordingly, Applicant requests that these drawings should be reconsidered and entered into the application.

V. Closure

This application should now be in condition for allowance. Should the examiner have any questions, he is urged to contact the undersigned at 703-415-0012.

Respectfully Submitted,
